INTERNAL — PRINT & LAMINATE AT FRONT DESK · V1.0.4 · 2026-06-28

We start with what you want, but we confirm with labs and a physician review before any prescription. The \$79 Wellness Assessment is our front door for hormones, weight loss, and peptides — IV Lounge is walk-in without a consult.

|                                        |                                           |                                                           |                                           |                                                       |

DO SAY

- "Our ELEVATED programs bundle your medication, RN check-ins, quarterly labs, and messaging — one price."
- "Every new patient starts with a \$79 Wellness Assessment unless they're IV walk-in only."
- "Active members get 20% off à la carte — IV, peptides, extra labs."
- "We are cash-pay; we can provide itemized receipts and superbills on request."
- "IV Lounge is walk-in — no consult required for drips and pushes."

NEVER SAY / OFFER

- "Plus pharmacy costs" or "medication billed separately" on TRT/HRT/GLP-1.
- Promise a specific drug or dose before labs + physician review.
- Offer ketamine, Spravato, injectable TRT, anastrozole, HCG, or pellets.
- Advertise or lead with retatrutide — physician-gated only.
- Standalone NAD+ infusion or peptide NAD+ — NAD+ is the \$50 IV booster only.
